

Dear Special Friend of Dolphins:

The ancient mysterious sea. Beneath its rolling waters, in the dark of its depths, lie secrets that are meant for the seasoned eyes of a select few.

You, friend, are now one of that elite.

You baffled one of the deep's deadliest predators with your sonar reflex. You mastered the shifting undercurrents of a lovely but sometimes dangerous aquatic underworld. You maneuvered your intelligent friend to the highest possible score in DOLPHIN--and thus, you have earned your membership in a very special Activision club: The Secret Society of Dolphins.

In recognition of your special achievement in helping a fellow thinking species--one which appeared, as you know, over 49 million years before we did--we have enclosed your official emblem of the exalted Society.

You will also receive a subscription to Activisions, the newsletter that reports on new Activision games and game clubs, designers, special contests, and experiences of other Activision fans around the country.

Thanks for sharing your accomplishment with us, and we hope you'll try for membership in our other game clubs.

Sincerely,

A handwritten signature in blue ink that reads "Jan Marsella". The signature is written in a cursive, flowing style.
