

IT'S A LIVING

Pop balloons

Catch toys.

This much sounds easy

Did they tell you first to hurdle
toys and make them glow?

They mentioned these robot
Hetty Hildas?

No? You might ask

And turning oil valves,
they brought that up?

Well turn them oil

You should know to take Collee
Breaks whenever They come around.

Floating Faces, too

An extra lite is a nice thing, not to
be sneezed at

Maybe It's time you should
be beginning?

To,

- To lump, press Joystick button

LIVE A LITTLE. Begin with (our lives Acquire an additional lives for each 10000 points earned Game ends when you run out of lives

INDICATOR. A row of balloons (top led) indicates how many balloons you must deal with in this round

VALVES. Balloons will pop at valves if not popped balloons release toys Toys work their way to the bottom level where they hop into one of two IN bins, only to re-emerge as balloons at an open valve One of the six VALVES that appear during the regular shut all but the top two can be turned off Hefty Hilda turns them back on. so be alert. If all four valves are all at the end of an 'hour' you earn 4.000 extra points'

- All valves which appear during a SAFETY CHECK can be turned off The faster you turn them all off, the bigger the bonus

PISTON PLATFORMS are paired and appear along runways Jump on an elevated one and its mate pops up Toys caught on one as it pops up are stunned for a while These can be touched without jumping over them If Merton or Hefty Hilda are caught on a Platform they disappear up off the screen Merton loses a life, or gains 500 points for 'boosting' Hilda

Listen, us important! To remember that you can control Merton while he is in the air Also the

screen "wraps around", that is.
move oil the left side and you II
appear on the nghi Careful nol
lo run mio toys or Hilda when
you do' Enjoy yourselves
